

Dear Coordinator,

We are pleased to invite your school to participate in the 2014 Kilmore Regional Debating Competition.

Since 2003, the DAV has run regional programs around Victoria to encourage students in rural areas to become involved in debating. Our regional programs are open to any student in Years 7 to 10, regardless of their debating experience. This year the program will include a training session designed for inexperienced debaters, followed by a competition day.

The training day will be held on **Wednesday 23 July**, at The Kilmore International School from 1.30 pm until 3.30 pm. This session will cover the basics of debating, discuss methods of preparation and practice for the competition, and provide an opportunity to ask questions of DAV trainers and adjudicators, as well as a chance to practice debating skills. This is an optional component of the program and schools unable to attend the day will be sent a debating guide and a topic resource guide to assist students to prepare for the competition day.

The debating competitions for both the Year 7/8 and Year 9/10 divisions will be held on **Wednesday 6 August**, at The Kilmore International School from 9.15 am until 3.00 pm. Each division has three debates, with the last debate a secret/advised topic.

Entry into the program is **\$120 per team** (three to nine students per team) and a \$30 membership fee, per school, if your school has not participated in any DAV competitions this year.

Participating in debating is a great way for students to build public speaking skills, discuss issues, and work closely with other schools in the region. The Kilmore Regional Debating Competition is a rare opportunity for students to gain insight and feedback from experienced trainers and adjudicators and to participate in a structured, welcoming interschool program.

To register, simply email (schoolsadministrator@dav.com.au) or fax (03) 9348 9466 the attached form to by **5pm Monday 21 July**. If you have any questions about the competition, please call me at the office on (03) 9348 9477.

We hope you can join us in this great opportunity for students to engage with debating.

Yours faithfully,

Dominique Caesar
Schools Administrator

Training Day

The training day (an optional component designed for inexperienced debaters) will be held on Wednesday 23 July at The Kilmore International School. This session will cover the basics of debating; methods of preparation; how to formulate an argument and develop a case. The training day provides students with an opportunity to build on their debating skills and confidence prior to the competition day. This is also a chance for students to ask questions of DAV trainers and adjudicators and to benefit from their extensive experience. Schools that are unable to attend the training day will receive a debating and resource guide to assist students to prepare for the competition day.

Debating Competition

The debating competition is divided into two divisions: years 7/8 and years 9/10. Debates will be held on Wednesday 6 August at The Kilmore International School from 9.15 am until 3.00 pm. Each division has three debates, including one secret topic debate. All debates are viewed by experienced adjudicators who will offer students in-depth and constructive feedback.
